

# Product/Service Training

INOV8 International, Inc.

INOV8 model F240 Furnace

George Baldwin at INOV8 training

## Thursday & Friday, May 1st & 2nd, 2008

Sign up now for limited seating at INOV8's Spring Training for waste oil burning burners, furnaces & boilers. Learn product design & safety features, installation issues, routine maintenance, component identification & function, and basic troubleshooting with hands-on experience.

Cost is \$160 for both days. This includes lunches, snack, coffee & training materials.

**Yes! Sign me up for this training program.**
